The large clock which Governor P. ago in England, was set in motion in when the Federal Refining company re the executive office at the State House duced its list sprice to nine cents for Friday evening, striking 9 o'clock for fine granulated sugar. This action folthe first hour after it was set going. During the evening it became apparent that Governor Clement intends to deed the clock to the state, with conditions attached so that it will be likely to remain in the executive office. The clock sets where a radiator was for years and the picture of the late Governor Fairbanks has been moved to provide room for the clock. It adds to the beauty of the room, breaking the sameness of the many pictures in

the room. It stands about 12 feet high and is about four feet square at the base. "END YOUR Friday evening it played "Jenny Jones." It plays a different tune for each day in the week. Sunday it plays "Old Hundred." It chimes the quarter ing and begins again at 7 in the mornare only 30 days in the month and one February is also taken care of by the

six weeks being cleaned, arriving here Friday. James Thomson of the Bige-David Sherman and Calvin Sails, low and Canard company of Boston set up the clock. The clock is valued at 50 quarts of alleged smuggled whiskey several thousand dollars. It will be available to the public to look at. As

RHEUMATISM

Like I Did Mine"-Says Pastor Reed: Wife Also Rid of Neuritis

Suffered Tortures For Years-Now Telling Good News To Others

Onn't Believe That Old Humbu, 'Uric Acid' Being the Cause of matism—It's Not So!"

Emphatically asserting that thousands of unfortunate sufferers have been led into itsking wrong treatments under the old and false belief that "Uric Acid" causes rheumatism. Pastor H. W. Reed says:

"As do some of our highest medical authorities, I now know that 'Uric Acid' never did and never will cause rheumatism! But it took me many years to find out this truth. I learned how to get rid of my rheumatism and recover my health and strength, through reading "The Inner Mysteries of Rheumatism," a work written by an authority who has scientifically studied the cause and treatment of rheumatism for over twenty years. It was indeed a veritable two pairs work harnesses,

following letter tells how the Hospice of St. Bernard in the Alpine heights may have a modest imitator with the bark on in the Green mountains:

20 Walker St., Cambridge, 38, Mass.

Nov. 10, 1920.

Mr. G. A. Mathers.

307 Main St., Bennington, Vt.

Dear Sir. I have just completed with baold friend a walking trip that will always be memorable to us both. Seven days we spent in the mountains on the trails of the Green Mountain club. Starting from Cambridge Junction, by way of Morses mill, Smurgler's Noted and Barnes' camp, we climbed Mount. Mansfield then made our way south, over camel's Hump, Mount Ellen and Mount Abraham, and ended at the Henry Davis farm near Lincoln.

We climbed Mount Mansfield at the end of our first day and reached the (Gilhu B, Taft) lodge in the midst of a tremendous blizzard. Never shall I forzet our first light, of the heads of the substitute of table with the cent of our first day and reached the (Rilhu B, Taft) lodge in the midst of a tremendous blizzard. Never shall I forzet our first light, of the heads of the content o dress to H. P. Clearwater. 250 H Street. Hallowell, Maine, will receive it by mail. postage paid and absolutely free. Send now, lest you forget the address! If not a sufferer, cut out this explanation and hand it to some afflicted friend.—Adv.
